

# FREE DESIGN RENOVATE DECORATE SEMINARS

Christchurch   
**HOME SHOW**

22 - 24 MARCH 2019  
HORNCastle ARENA

## FRIDAY 22 & SATURDAY 23 MARCH 2019 - TIMETABLE

### 10.30am LANDSCAPING 101 – HOW TO CREATE YOUR PERFECT BACKYARD SPACE

Let Karl walk you through the design to construction process of creating practical, creative and personalised landscaping solutions that complement a range of spaces. Karl will offer tips, expert advice, trends and great ideas for functional and stylish outdoor spaces.

**Karl Odell – One Square Rate Landscaping**

### 11.00am KITCHEN RENOVATION – STEP-BY-STEP GUIDE TO THE PROCESS & TRENDS TO CONSIDER

Let Paul guide you through the key decisions that you will be asked during your kitchen renovation project to ensure an effective transition from 'inspiration' to 'installation'.

**Paul Collins – Kitchen Studio**

### 12.00pm COLOUR TRENDS

Learn about the new, the fun and the frivolous in the colour world and how to recognise the right colours for you and your home – get more colour in your life and more life in your colour!

**Becca Long – Resene Colour Consultant**

### 12.30pm INTERIOR PLANNING – MAKE IT FUNCTION

Learn how to create a brief and how to put this to work for you. Understand your floor plan; strategies to interpret the numbers; how to place furniture and electrical items; and the ergonomics of interiors.

**Treena Swift – Swift Designs**

### 1.00pm THE 'FLUFFY STUFF' OF INTERIORS

Treena will share her knowledge and expertise on Interior design basics, trends in colour and finishes and strategies to overcome Design Paralysis (for when you simply can't decide).

**Treena Swift – Swift Designs**

### 1.30pm COLOUR CONFIDENCE

Colour is very personal and an expression of your creativity. It can transform an environment, create a style, set a mood and alter perceptions. In this session, Becca offers a selection of valuable aids to enable you to choose the right colours for you.

**Becca Long – Resene Colour Consultant**

### 2.00pm HOW TO ENSURE AN ENERGY EFFICIENT HOME?

Find out how a house loses its energy after the sun has gone down, and how to stop it from happening. Robert will speak about the 5 principles of Passive House to achieve this: 1. Thermal insulation; 2. Windows; 3. Air tightness; 4. Adequate ventilation strategy; and 5. Thermal bridging.

**Robert Whitehouse – Whitehouse Builders**

## SUNDAY 24 MARCH 2019 - TIMETABLE

### 10.30am LANDSCAPING 101 – HOW TO CREATE YOUR PERFECT BACKYARD SPACE
